

HYDROSTATIX LLC PRIVACY POLICY

Effective Date: January 01, 2021

Your privacy is very important to us. Accordingly, we have developed this policy in order for you to understand how we, Hydrostatix LLC, collect, use, communicate, disclose and make use of personal information that we collect when you use our software and services.

Our Software and Service Offerings

Hydrostatix Laytime 365 – a Microsoft Excel add-in for the dry bulk shipping industry for calculating laytime.

Hydrostatix Master Suite – a Microsoft Windows desktop application for the dry bulk shipping industry for preparing Statements of Facts and for calculating laytime and preparing laytime statements.

What Data We Collect and Store

We will collect personal information if and only if you create or obtain an account associated with our software and services. Personal information may include your name, Windows username, e-mail address, receipts of transaction, the IP address used by you to access our software and services, voyage data, and information about how you use our software and services.

What Privacy Controls are Protecting Your Data

We protect personal information by reasonable security safeguards against loss or theft, as well as unauthorized access, disclosure, copying, use, or modification.

How Your Data is Used

We use your personal information solely for the purposes of providing our software and services to you and improving our software and services.

How Your Data is Shared

We do not share your personal information with third parties.
